Public Affairs Specialist, Qatar

Position Summary

Deploy360 is seeking a highly skilled Public Affairs Specialist to support U.S. military operations outside the continental United States (OCONUS). The ideal candidate will have a strong military public affairs background, exceptional communication skills, and the ability to effectively manage public relations in challenging environments. This position offers comprehensive benefits, including travel, housing, transportation, and a competitive total compensation package.

Key Responsibilities:

- Develop and deliver high-quality public affairs products that accurately represent military activities and objectives to the public.
- Capture and edit photographic and digital content to support strategic communication initiatives, using Adobe Photoshop and Illustrator (CS Master Suite applications).
- Engage with various military and media stakeholders to facilitate accurate and positive coverage of operations.
- Adhere to protocols for handling sensitive information and adhere to guidelines for military operations and public communication.
- Travel within the Area of Responsibility (AOR) is needed to support operational requirements.

Qualifications:

- **Education and Experience:** High school diploma with 6-9 years of relevant experience in public affairs.
- **Military/Public Affairs Training:** Graduate of the Defense Information School Basic Public Affairs Writer Course or Public Affairs Officer Qualification Course.
- **Professional Background:** Minimum of eight years of experience in military public affairs. Civil service experience may be considered as a substitute.
- **Clearance:** Active Secret Clearance.
- **Technical Skills:** Proficiency in digital photography and photo editing software, including Adobe Photoshop and Illustrator.
- **Documentation:** Active U.S. Passport and Driver's License.
- **Physical Requirements:** Ability to wear personal protective equipment (PPE), including a protective mask, ballistic helmet, body armor, and chemical/biological protective gear. Must meet USCENTCOM medical standards for physical and medical fitness for deployment.

Additional Details:

- **Hours:** 60 hours per week.
- **Benefits:** Housing, travel, transportation, and medical in-processing provided.
- **Deployment Readiness:** Must be physically and medically fit for deployment OCONUS and available for travel within the AOR, as necessary.
