## Force Manager Assistant (SOJTF-C), Doha, Qatar (CENTCOM AOR)

**Clearance Required:** Top Secret

### Overview

Deploy360 is seeking a **Force Manager Assistant** to support the CJ-3 Director in managing force requirements for U.S., Joint, and Coalition Forces. This role is critical to facilitating operational planning, force monitoring, and resource allocation in alignment with mission objectives.

### Responsibilities

- Assist the CJ-3 Director in monitoring, assessing, and managing all force requirements.
- Provide expert advice on U.S., Joint, and Coalition Force requirements, including Combined Joint Statement of Requirements (CJSOR).
- Support Relief-In-Place (RIP) and redeployment activities.
- Assist in drafting Time-Phased Force and Deployment Data (TPFDD), Requests for Forces (RFF), Operational Needs Statements (ONS), and Requests for Equipment (RFE).
- Coordinate Global Force Management actions across subordinate units, headquarters staff, and higher headquarters.
- Ensure campaign plan objectives are met as specified by the Contracting Officer's Representative (COR).
- Manage budgeting, monitor costs, and assess financial impacts on operations.
- Make strategic decisions based on capabilities, resources, and mission objectives.
- Ensure operational programs align with contract requirements and Deploy360's business goals.
- Maintain service level agreements by resolving operational issues efficiently.
- Act as a liaison with clients to address concerns, gather feedback, and enhance client satisfaction.
- Stay informed on industry best practices, trends, and emerging technologies to drive continuous improvement.

### Required Qualifications

- Bachelor's degree with **8-12 years** of experience (or equivalent).
- **Military background** as a U.S. Army Global Force Manager, holding a **Commissioned Officer rank of O4 or higher**, with at least **three years of Combatant Command (COCOM) experience**.
- Experience with **Joint Capabilities Requirements Management**.
- Ability to adapt quickly to dynamic operational needs and manage resources in high-pressure situations.

### Preferred Qualifications

- Experience supporting **U.S. Special Operations Forces (SOF)**.
