Public Affairs Associate

Location: Doha, Qatar

Clearance Required: Secret

Position Type: Full-Time, OCONUS

Overview

Deploy360 is seeking a Public Affairs Associate to support the Public Affairs Director in planning, coordinating, synchronizing, executing, and assessing communication efforts. The associate will assist with all SOJTF-C public affairs activities, including assessments, command synchronization, and execution. This position is based in Doha, Qatar, and supports operations throughout the CENTCOM Area of Responsibility (AOR).

Responsibilities

- Support the Public Affairs Director to advise the Commander on public affairs plans, coordination, synchronization, execution, and assessment of all SOJTF-C communication efforts.
- Assist in the development of guidance for subordinate communicators.
- Serve as the theater release authority for communications content and ensure alignment with organizational messaging.
- Coordinate communication actions with SOCOM, CENTCOM, and SOCCENT to ensure communication effects are synchronized with OTH-CT operations.
- Provide coordination and representation in planning and operational activities as needed.
- Advise the Commander on audience attitudes and perceptions of policies, programs, and information needs.
- Coordinate with international and regional headquarters communicators to ensure cohesive messaging.
- Coordinate strategic communication campaigns within information operations plans to prevent conflicts with intelligence and MISO efforts.
- Conduct regular visits to command units to assess their public affairs programs and recommend improvements.

Qualifications

Required Skills and Experience

- Top Secret / SCI clearance required.
- Bachelor's degree with a minimum of 8 years of relevant experience (or commensurate professional experience).
- Graduate of the Defense Information School Basic Public Affairs Writer Course or the Public Affairs Officer Qualification Course.
- Military background in public affairs with at least 8 years of experience (civil service experience may substitute).

- Proficient in digital camera operation and photo editing software such as Adobe Photoshop, Illustrator, and the Adobe Creative Suite.

Preferred Skills and Experience

- Experience supporting U.S. Special Operations or working within joint military environments.
