Special Operations Activities Assistant

Location: Doha, Qatar

Clearance Required: Top Secret/SCI clearance with CI Polygraph

Position Type: Full-Time, OCONUS

Overview

Deploy360 is currently hiring a Special Operations Activities Assistant to support the SOJTF-C J3X Director in coordinating special operations activities throughout the region. This position will be based out of Doha, Qatar, and supports the CENTCOM Area of Responsibility (AOR).

Responsibilities

- Support the SOJTF-C J3X Director to coordinate special operations activities throughout the region.
- Advise the J3X and SOJTF-C Commander on planning and executing all special operations activities.
- Assist in the coordination, de-confliction, and synchronization of all special operations activities across the region.
- Coordinate closely with the Intelligence Community (IC) to facilitate common objective accomplishment.
- Assist in the coordination and planning of special operations activities within the assigned area of responsibility.
- Compile and disseminate special operations activities data within the controlled operations community under J3X supervision.
- Support J3X training for subordinate SOAAs to ensure proper database management, OPSEC, and tactics, techniques, and procedures are maintained.
- Assist in the accomplishment of campaign plan-specific goals as directed by the COR.
- Contribute to the creation, review, and implementation of policies governing special operations activities across the command.

Qualifications

Bachelor's degree with 8–12 years of relevant experience (or commensurate operational experience).

Required Skills and Experience

- Top Secret/SCI clearance with CI Polygraph.
- Ability to obtain a GCOMS account.
- Minimum of ten (10) years of operational experience and subject matter expertise in Unconventional Warfare (UW), Advanced Special Operations Techniques (ASOT), and Operational Preparation of the Environment (OPE).
- U.S. Special Operations experience; Enlisted with the rank of E7 or higher, Warrant Officer (CW2 or higher), or Commissioned Officer (O3 or higher).

Preferred Skills and Experience

- CMF 18 series or related background.
- ASOT Managers Course graduate.
